

# Molverley Parish Council

Minutes of the next meeting of **Molverley Parish Council** held by Zoom on **10<sup>th</sup> February 2021** at **7.30 pm**.

**Present:** Cllrs Rosy Harding, Sally Herbert-Jones (Chairman), Cath Jones, Roger Jones

**In Attendance:** Richard Jones Molverley Internal Drainage Board; Ian Cruise-Taylor, Parish Clerk

- 20.31 Apologies - none
- 20.32 To reaffirm Declarations of Interest(s). There were no declarations of interest
- 20.33 Public session: there were no members of the public present
- 20.34 Council approved the minutes of the meetings on 6<sup>th</sup> January 2021
- 20.35 To receive updates on:
- (a) Flood defence developments to include Molverley Internal Drainage Board (MIDB) update: Richard Jones spoke of a number of actions taken by the IDB to improve flood relief and supported the continued joint working with Molverley Parish Council and other impacted parishes to put pressure on Shropshire Council and the Environment Agency to bring forward suitable long term plans to alleviate flooding, take short-term opportunities to impact on flooding, and to oppose those plans of others which could result in continued significant impact of flooding on Molverley and surrounding areas. Richard asked for support from the Parish Council in its communications with residents, which the parish council is pleased to give. A note setting out the respective roles of the two bodies would be jointly prepared and distributed.
- The Parish council drew attention to continued issues with the riverbanks and embankments, which are breached too often in their current state and it was agreed that photos should be submitted to Martin Davies. The Council also drew attention to the problems of making sustainable contact with EA staff, while recognising the pressure on those staff of recent floods.
- (b) Parish-wide Broadband improvements - not considered in detail
- 20.36 To consider and determine a response to proposals to seek funding to upgrade the rescue boat and purchase a second – Council had an initial discussion about the rescue punt, which would benefit from being replaced and possibly augmenting this with a second boat so that both ends of the parish could be served in the time of flooding. Concern was expressed at the possible cost, and the clerk referred to the opportunity to seek grant aid, sponsorship and support from both Shropshire Council and the Environment Agency. It was suggested that a flood bus should be considered and that other boats already existed in the parish could be used, but it was also pointed out that appropriate equipment and well as training of support staff would be an issue whichever boat was used. *The meeting ceased at this point due to internet problems.*
- 20.37 Correspondence and other matters:
- (a) Community Governance – see email circulated
- (b) Parish Online – report from Parish Clerk regarding invitation to subscribe
- 20.38 Financial
- To receive and approve expenditure and bank reconciliation:
- (a) Expenditure for January 2021:  
Clerks Salary January - £132.13

# Melverley Parish Council
